

CHERYL L. DEMINICO

PROFESSIONAL DEVELOPMENT:

2007 **Engineering Ventures, Burlington, VT – Senior CAD Technician Designer**

1983 to 2007 **Structures Unlimited, Inc., Bow, NH – Drafting Department
Manager/Designer**

Managed all day-to-day operations of the Drafting Department along with having the position as a Design Drafter. Directed a group of three Senior Draftsmen coordinating weekly schedules based on job priorities. Drafting position entailed close interface with the Engineering Department working on Large Span Structural Skylight Systems and Residential/Commercial Pool Enclosures. Responsibilities as a Design Drafter included first submission drawings for customer approval, various revisions based on Architect/Contractor feedback, and final “field and file” sets. Once approved, responsible for fabrication drawings along with a bill-of-material for in-house shop fabrication. Frequently assisted both Distributors and company Field Foremen with problems that were encountered with field installations. Proficient with Cadra Drafting Software, and familiarity with AutoCAD 2006.

EDUCATION:

- 1983 ASSOCIATES DEGREE IN ARCHITECTURAL ENGINEERING - New Hampshire Technical College
